

Dear Campers and Parents,

Thank you for choosing Camp Tannadoonah for your child's day-camping experience this summer! The necessary forms to complete your camper's registration are attached with this letter. Please read all of this information carefully! If you have any questions, please contact the Camp Fire USA office at 574-234-4145 or email me at Amber@tannadoonah.org.

Your child will be a part of Camp Tannadoonah's 90th year of summer camping, and 81st on beautiful Birch Lake! Our mission as a Camp Fire USA organization is to build caring, confident youth, and future leaders. Your child will take part in many rich traditions at camp, and will learn outdoor and independent living skills throughout the week. Our qualified staff of counselors will guide your child through a variety of programs and activities. Most importantly, your child will form friendships and memories that will last a lifetime!

Arrival Time: Check-in time for full-week sessions is on Sunday from 2:00pm to 4:00pm (EDT). You and your camper will check in at the registration table, where you will receive a cabin assignment and verify registration of any special activities. You and your child can then go to his/her assigned cabin, see the facilities, go to the Camp Store to pick up your child's camp t-shirt, make a store deposit, and meet the camp staff. During this check-in time, you are welcome to view the lake, but no lifeguards will be on duty and therefore no one is allowed on the pier or in the water. If a camper must check in late, please contact me in advance to make arrangements. We cannot accommodate early check ins.

Day campers are not *required* to come on Sunday for check-in. However, it is recommended. We go over waterfront rules and safety at 4:15pm on Sunday afternoon, and then go to the waterfront for the swimming and boating tests. If your day camper does not come on Sunday for the waterfront overview and swimming tests, he or she will be tested on Monday morning during the first activity period. Sunday check-in is also a good time for your camper to meet his or her counselors and cabin-mates for the week. If you are able to come to check-in on Sunday, we recommend arriving around 3:30 or 3:45pm, and you will likely be finished with the swimming test by 5:00pm.

Daily check-in for day camp is at 9:00am. All day campers must be signed in by a parent or guardian at the dining hall each morning. Please do not drop your camper off in the parking lot!

Departure Time: Daily check-out for day camp is between 5:00pm and 6:00pm. Afternoon free swim is from 5-5:30, so if your camper wishes to stay for free swim, please arrive between 5:30 and 6:00 for pick up. All day campers must be signed out by a parent or guardian at the dining hall each evening. It is VERY important that you let a camp staff member know that you are taking your child AND sign them out on the sheet.

Friday night, day campers may stay through dinner and evening program. Evening program on Friday is our "council fire" which is our weekly awards ceremony. Council Fire generally starts around 7:30pm and ends around 9:00pm. Parents are welcome to come to Council Fire, and may check their camper out at the conclusion of the ceremony. Day campers are also invited to spend the night at camp on Friday night at no extra charge (space permitting – please check with the camp director).

Check-out time for full-week sessions is on Saturday from 10:00am to 11:00am (EDT). These times are strictly observed. Campers not checked out by 11:00am will be charged \$10 per hour to pay camp staff to remain at camp with the camper. If a camper needs to be picked up early, please contact us in advance to make arrangements. All parents must come to the check out desk before leaving camp with their child. Campers will only be released to people who are listed on the release form.

Activity Registration (please note new policy): Campers may pre-register for the following activities at camp: swimming lessons, boating (canoeing, kayaking, sailing), dance, digital photography, low ropes challenge, iron chefs, fishing, bejeweled, and advanced nature. If your child wishes to participate in any of these activities, we need to have those registrations at least one week in advance. **We will be unable to add activities at the check-in desk.** If you wish to add or change your child's activities, please email me to make those changes at least one week before they are to arrive at camp.

The following activities do not require pre-registration: archery, sports & games, nature, drama, crafts.

Special Added Activities (new in 2010!): We will be offering special activities each week, such as sports or nature programs. These activities have an additional fee and have limited space. More information on these specialty activities will be available soon.

Counselor in Training (CIT): The CIT session is two weeks long; however, the CIT campers are required to go home over the weekend between the two sessions. Weekend stays are not permitted.

Forms Packet: All forms (health form and permission slips) are to be turned in during check-in. Please do not send forms to the Camp Fire office; bring them with you when you arrive at camp. If your child has special needs (including diet), please contact me in advance.

Balance of Camp Fees: The balance of camp fees is due at least 2 weeks before your camper is to arrive at camp. No checks will be accepted at camp, and reserved spots may be forfeited to campers on the waiting list if payment is not received at least two weeks in advance.

Medical Records and Medications: The American Camping Association (ACA) requires a Health Information form to be completed and signed by a parent or guardian. This form must also show evidence of a health examination by a licensed physician has been completed no more than 24 months prior to camp attendance. This form is crucial and must be filled out completely. **A new health form must be completed every year.** Your camper will not be permitted to attend camp if you do not provide this health form. The health form is kept on file in accordance with regulations of the State of Michigan. All immunizations must be up-to-date, especially tetanus. All forms must be printed out and signed.

Upon arrival at camp, all campers must visit the camp health officer. All campers who need to take medications (over the counter or prescription) must give all medications to the camp health officer in the Infirmary. We are also required by the ACA to do a lice-check for all campers upon arrival at camp.

Camp Store Deposit: Campers may make a deposit at the camp store upon arrival to camp. Campers are never allowed to carry cash at camp, so this store deposit is the only spending money they will have during the week. We recommend a store deposit of \$25. Campers may purchase batteries, bug spray, flashlights, bottled water, laundry bags, disposable cameras, pencils, pens, stationary, post cards, envelopes, stamps, camp journals, t-shirts, and many other camp items at the store. The store deposit is

not mandatory; *all campers will still receive two snack items at the afternoon store time*, which are not charged to the store account. Store deposits may be created using cash or credit (no checks are accepted at the camp store).

Contacting Parents: In case of emergency or illness, the camp office must know where to contact you or an alternate person who will be responsible for your child. If you are planning on someone other than yourself to pick up your child from camp, the attached permission slip must be signed. Your child will not be released to anyone other than a parent or guardian if this permission form is not signed.

Any time a camper is referred to medical attention outside of Camp, or is restricted from normal program participation for more than 24-hours, parents will be contacted. Your family accident/health medical insurance will be billed, and you will be advised of and billed for any other medical expenses such as special medication and/or supplies advised by the physician.

Email to Campers: You can also send email to your campers! Please put your child's name in the subject line, and send to Campers@tannadoonah.org. Emails will be printed and distributed once per day, Monday – Friday. Emails received after noon will not be delivered until the following day. Campers do not have access to computers and will not be able to send email back.

Mail: All campers love to receive “snail” mail, and we have daily local delivery. You may consider writing a letter before your child arrives at camp, since mail delivery tends to be slow. Write often! All mail should be addressed as follows:

Name of Camper
Camp Tannadoonah
14751 Harvey St.
Vandalia, MI 49095

Cabin Pictures: Each cabin will have a group picture taken at the beginning of each section. Each camper will receive a photograph of their cabin at the check-out table on Saturday. Pictures for mini-week campers will be mailed after camp.

Suggested Equipment: A list of suggested camp equipment is enclosed. Please leave all valuable items at home. **Absolutely NO** radios, cell phones, iPods (or other MP3 players), video games, televisions, any other electronics, food, or gum will be allowed in camp. Cameras are acceptable. Any electronics or food brought to camp will be immediately confiscated and returned to parents at check out. Please mark all clothing items with your camper's name. All lost and found items are taken in to the South Bend Camp Fire office. After September 1st these items are donated to charity. Camp Fire USA River Bend Council / Camp Tannadoonah are not responsible for any lost or stolen items.

Tennis Lessons: We have some racquets available at camp, but we recommend that you send your child's own racquet for tennis lessons.

Digital Photography: If your child is registered for Digital Photography, they will benefit most from the experience if they are able to bring along their own camera (or the family camera). This way the skills they learn will be applicable to the camera they would be using at home. However, if you do not own a camera, we will provide one for your camper to use for a \$5 fee.

Homesickness: The staff has been training on how to handle this expected hurdle. It is usually a temporary period, and the staff helps to overcome this feeling by channeling your child's energies towards other activities. By the time you receive a "low" letter, your child is probably feeling much better! We do not allow campers to call home during the week, as this generally only makes homesickness worse. If we have concerns about your child, we will have a staff member contact you. You are also free to contact us if you have any questions or concerns during the week. The phone number at camp is 269-476-2177. You can also reach me by email at Amber@tannadoonah.org.

Cancellations: If your child is unable to attend camp for the week registered, please notify the Camp Fire office at 574-234-4145 or email me **AT LEAST ONE WEEK IN ADVANCE** so that we may give another child on the waiting list a chance to attend camp. No refunds will be given if the cancellation is made less than one week in advance. The deposit is nonrefundable.

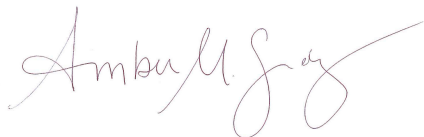

Refund Policy: The deposit is nonrefundable. Additionally, no refunds will be made once a child reaches camp except when he/she is sent home at the request of a physician or the camp health officer for medical reasons. Refunds will be processed after the completion of our summer session and will be mailed no earlier than September 1st.

Directions and maps: Directions to Camp Tannadoonah are included in this packet of forms. You can also find detailed maps and directions on our website at www.tannadoonah.org/directions.

Remember, the balance of all fees is due **two weeks before** your camper is to arrive at camp. The Camp Fire Office hours are 9:00am to 12:00 noon, Monday through Friday. Our office is located at 905 E. Jefferson Blvd., Suite D., Mishawaka, IN 46545. We can process credit card payments via telephone at 574-234-4145. Payments may be mailed to Camp Fire at P.O. Box 592, Mishawaka, IN 46546.

See you this summer!

Sincerely,

Suggested Packing List

All of the camper's belongings should be packed in a suitcase that will fit under their cot. We do not have storage space for trunks or very large suitcases. It is a very good idea to write your camper's name on all clothing and personal items that you send with them to camp!

Clothing

- 2 pairs comfortable, closed-toed shoes.
(please note: closed toed shoes are required in camp. Athletic shoes are recommended.
Absolutely NO flip-flops or open-toed shoes are allowed anywhere except the waterfront)
- 7 t-shirts
- 4-6 pairs shorts
- 2 plain white t-shirts (note: Campers must wear either a plain white shirt or their 2010 camp shirt to dinner each night)
- 1-2 warm sweatshirts or jackets
- 7 pairs underwear
- 7-10 pairs of socks
- 1-2 pairs long pants / jeans
- pajamas or sleepwear
- raincoat or poncho
- hat or bandana
- costume for Friday night (to fit theme of the week)
- 1-2 swimming suits
- water shoes (highly recommended for waterfront because of Zebra Mussels)
- flip flops (for waterfront or shower use ONLY)

Toiletries and Personal Items

- 2 towels
- shampoo
- soap
- toothbrush and toothpaste
- bugspray or lotion
- sunscreen / sunblock
- hairbrush and/or comb
- drinking cup or water bottle
- deodorant

Bedding

- bed sheet (twin size)
- sleeping bag or blankets
- pillow(s)

Other Items

- flashlight and extra batteries
- postcards or stationary (and stamps)
- pencil / pen
- book to read for rest time
- medications (note: all medications must be in original containers and placed in a labeled plastic bag. Please send only the amount of medication needed to last the duration of your camper's stay at camp. All medications – prescription and over the counter – must be turned in to the nurse at check in)
- laundry bag
- camera

What NOT to bring

These items will be confiscated and returned to parents at the end of the week
